

Olentangy Education Foundation 2017 Annual Report

Message from the Board

Dear Olentangy Community,

On behalf of the Trustees of the Olentangy Education Foundation, we are pleased to present our annual report. We launched the Foundation in 1990 as a 501©(3) charity organization. Our mission is to raise funds to further enhance the academic programs of the Olentangy Local School District.

We are independent of, but work closely with, the school district to celebrate excellence, encourage innovation, develop community partnerships, and support staff, students, and graduates.

The funds we raise go directly to scholarships and grants within the school district. We are grateful for your continued support!

Pam Bachman, Board President

Foundation Board Members

President: Pam Bachman
Vice President: Emily Robinson

Secretary: Angela Parsons
Treasurer: Fran Gardner

Members: Krista Davis, Jack Fette, Dave King, Jill Medley,
Lisa Moore, Megan Moorhead, Ryan Johnson,
Derek Pentenburg, Sarah Rupp, Steve Sargent, Karen Teets

2017 Grants Recipients

Olentangy Business Academy

T-shirt printing equipment to produce spirit wear and allow an ACT, OASIS and DECA student self-run business program.

OOMS Outdoor Learning Spaces Construction Project

Construction and design elements for a larger, outdoor learning space renovation.

Creating and Innovative and Future Ready Makerspace

Technology to support ongoing support and funds in creating a STEM Makerspace innovative space.

Sound System Improvement for the Marching Pioneers

Portable sound system to help with effective instruction during marching rehearsal and benefiting entire OOHs.

Arts Collaboration through 21st Century Learning

Technical equipment to support art and music project-based K-5 students reflecting cultural heritages.

Learning Reimagined

Tables and stools to support the ongoing project and funds of renovating an atrium space to a larger learning space.

Library Media Center Renovations and Updates

Movable furniture to support continued efforts and funding for a 21st Century Skills collaborative library.

Modeling Kinematics with Robots

Programmable robots for teaching kinematics to Physics students.

SMART LightRaise Interactive Projector for the Orchestra Room

LightRaise projector and cables to allow differentiated instruction for music and orchestra students.

Increasing the Four C's with "Breakout Box" Lessons

Breakout box kits, reflection cards for students to work collaboratively while problem solving. For all students, including gifted.

Olentangy Orange "The Juice" TV – 2017 Upgrade

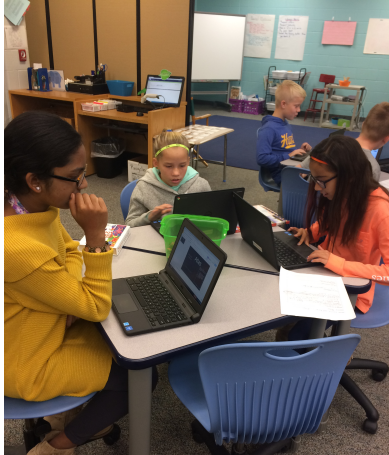

Equipment upgrades for the OOHS Broadcast Journalism class for producing daily news shows.

Mindful-based Yoga and Stress Management

Yoga mats, portable PA system, storage boxes provided for a student wellness program.

The title of our grant was "Library Media Center Renovations and Updates". The funds were used to purchase tables that are on wheels so students can move them into different configurations for our flexible grouping.

Creating an Innovative and Future Ready
Makerspace for Middle School Students
