

OLENTANGY EDUCATION FOUNDATION

*Enhancing Academic Excellence*

## 2018 ANNUAL REPORT

Dear Olentangy Community,

Our teachers and students excel largely because we have an engaged community. That engagement allows the Olentangy Education Foundation to provide opportunities for enhancements in the classroom and beyond. Because of your generous donations, we can help provide each child at Olentangy Local Schools with exceptional educational opportunities every day.

In 2018, we increased our ability to drive teacher innovation and inspire students by providing the opportunity for community members to create a fund through the Foundation. An individual has the option of starting either a non-endowed fund, which would be used over a period of years, or a Legacy Endowment fund, which will live beyond their lifetime in their name or in honor or in memory of a loved one, alumnus or faculty member.

And, we're looking forward to more opportunities to support teacher innovation and inspire students in 2019.

Your support of the Olentangy Education Foundation directly enhances teachers' abilities to connect with and develop the potential of our students, so on behalf of the students and educators, thank you for your support of education for Olentangy Local School District's students.

## **ABOUT OEF**

The Olentangy Education Foundation was founded in 1990 as a non-profit, independent organization. A volunteer Board of Trustees conducts the business of the Foundation. It's original name, Olentangy Pride Foundation, was changed to the Olentangy Education Foundation in 2004.

The Foundation collects charitable contributions from donors, and partners with our school district to support and fund enhanced educational experiences for all students.

Over its history, the Foundation has funded over \$700,000 in grants and scholarships.

OEF's initiatives are focused on providing staff grants for innovative programs and learning opportunities for which tax dollars are not available and recognizing outstanding staff members.

The Olentangy Education Foundation would like to thank all of our generous 2018 donors and sponsors. Without support and funding from our sponsors, individuals and families, our events and programs would not be possible.
